Report Summary:

An expert session on **Differential Diagnosis of Chest Pain and Its Surgical Indications** was organized at L. R. Shah Homoeopathy College on 1st October 2025 from 9:00 AM to 10:30 AM. The session was conducted by distinguished medical professionals, Dr. Madhav Upadhyay, an eminent Cardiovascular and Thoracic Surgeon, and Dr. Tejas Pandya, a reputed Interventional Cardiologist.

The program began with an opening speech by Principal Prof. Dr. Anup Kumar Das, who highlighted the importance of bridging clinical knowledge with practical insights. The guests were introduced by Dr. Arvind Bhatt, setting the tone for an informative session.

The speakers discussed in detail the various causes of chest pain, differential diagnosis, and surgical perspectives, emphasizing the role of early diagnosis and timely intervention. They also provided clinical tips, case references, and shared valuable knowledge that benefited both students and faculty.

The session was attended by 2nd to 4th year BHMS students and faculty members, who actively participated and gained deeper clinical understanding. The event proved to be highly insightful, strengthening the integration of Homoeopathic education with modern medical perspectives.
