Rajkot Collector at Gardividypith

Gujarat Election 2017 is the talk of the town. It is well-thought-out as Gujarat's festival. To make this festival more effective, different authorities from different government bodies are becoming more active to bring awareness among voters.

Such an event was organized by Gardividypith on 6th December 2017, by the chairperson **Mr. D. V. Mehta**. **Mr. Tirhtani** and **Ms. Chetna Maradiya** was the honourable guest for the program.

Mr. Tirthani mentored the youth, teaching as well as non-teaching staff about **SVEEP - Systematic Voter's Education & Electrol Participation**. He guided the students to use their right to vote and become a part of the world's largest democracy.

In the same program, Committee members from Rajkot Municipal Corporation gave knowledge about **Swachhta App** launched by RMC and insisted to start registering complain regarding the garbage dumps to make the city clean.

Recruiter's Testimonial

Mr. Pratik Patel
CEO & Co-Founder
Yudiz Solutions Pvt. Ltd.

Yudiz has always invested in the resource which are rapid profit converters. The maximum time and money that we have ever invest are on training resource that we hire, but this cost and efforts are reduced if we hire resource who are technically sound and are adaptive to the corporate environment. B H Gardi Institute of Engineering has always nurtured their students in such a way that they have a blend of Technicality and Corporate exposure. This helps them to adopt the versatility of the corporates and can be a good profit converters.

Mr. Nikhil Chauhan
Manager-HR & Admin
Hi-CON Technocast Pvt. Ltd.

I congratulate the Gardi Vidyapith management and the Placement Cell to take such kind of initiative to build up the bright career of student. It is good to see that college believes in industry demanded practical approach for grooming the students. They provide subjective knowledge to their students but they also believe in overall development of them. The quality of students have good knowledge, skill and positive to learn something. We are happy to recruit students from your college and looking for long term association in future.

Ms. Ruchi Jha
HR Manager
Yudiz Solutions Pvt. Ltd.

"Healthy roots make the tree stand tall for long" We believe that the quality of resource that we were looking on for has been in adherence from the Environment and educational pattern of B H Gardi the resource which we have procured from time to time has always helped us to cater our needs and credit of which goes to the Faculty members of the college. I really appreciate the awareness they have created among students to make them aline with organizational needs. Not only they take care of our needs, they also look forward to improving their educational and training processes with the constant feedback that they collect from time to time"

Mr. Malay Kothari
Manager
HR & Admin
Atul Auto Ltd.

Mr. Abdul Taiyab
Asst. Manager
HR & Admin
Atul Auto Ltd.

Good efforts are put in by the Institute in terms of giving young engineers to industry. We have been hiring students from your institute as well as giving them Summer Internships in our organization. The students are also found very sincere, intelligent and hardworking. We look forward to a continued enriching long-term relation with B H Gardi College of Engineering & Technology.

Explore Physics-2017

EXPLORE PHYSICS-2017 was organized by the Department of Humanities and Science for 1st Semester students on November 6, 2017. The students were supposed to present a poster related to Nanophysics and Advanced Engineering materials. A poster speaks for itself. Poster presentation offers the opportunity to practice presentation skills. The event was conducted by **Prof. Toral P. Zinzuwadia**.

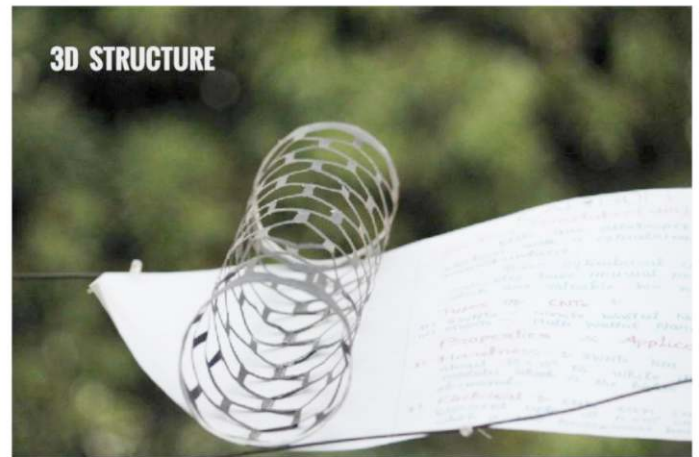

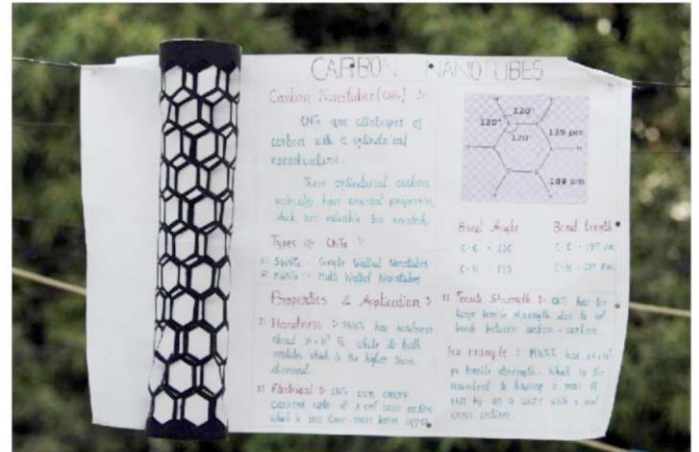

FEEDBACK:

The topic on which they were supposed to present a poster was new to them and they worked hard to select as well as present their information. The poster was prepared in the group of 3-4 students. This activity proved fruitful as motive to explore Physics.

OUTCOME:

This event enabled the students to explain their concept in

PHYSICS : CARBON NANOTUBE

BY : SHAHID , JAY(NIRMAL) , JAY(DAVE) , BHAVESH

different ways, and see that the information is well received. At the same time they were honing their ability to communicate verbally, they can also hone their ability to present information visually in simple way.

Conti... from page 1 - Rajkot Collector...

The program was concluded with the sworn. The authorities made the onlookers took oath for voting in the

upcoming election and also to be the active citizen of Rajkot as well as nation.

Gardi Vidyapith

About

A futuristic center for higher education in professional courses, Gardi Vidyapith is proliferating over 28 acres, surrounded by flourishing farming, situated on the outskirts of Rajkot - a developing hub of education in Gujarat. A visionary leader and a well-known philanthropist committed to welfare of the society, Honourable Late Shri Dipchandbhai Gardi, was the main source of inspiration of the establishment.

School Of Management

About Kum. M H Gardi

Since 2008, Kum. M H Gardi, School of Management offers true managerial education to their students. In globally competitive era, this NextGen B-School promises to offer experiential learning in management field than just degree focused theoretical learning. Outcome based learning approach has been put into practice to ensure that students will be groomed as per the need of future. Gardi B-School focuses on entrepreneurial learning methodology along with skill based management learning to ensure that the students of today would become the global representative of India tomorrow which creates better opportunities for them as well as society. Along with MBA learning, skill enhancing certification programs, educational activities and innovative interactive pedagogy are blended rigorously to cultivate the global citizen of future.

Other Educational Initiatives

Apart from Kum. M H Gardi School of Management, to deliver the excellence in education, few other initiatives has been taken. Below are our sister institutions :

FUTURE BELONGS TO THOSE WHO DARE TO ACT ON TO THEIR DREAMS

Expert Session By Mr. Sunil Solanki Branch Head-Gujarat, Mumbai & Goa Philips Audio-Gibson & Innovation

The seminar was conducted on 22nd September 2017 by SUNIL SOLANKI on the topic "REAL LIFE EXPERIENCE IN WORKING AMONG TOP 10 CORPORATE IN INDIA".

500 students including third year B.Com, BBA, BCA of Kansarga College, J. H. Bhalodiya and Kundaliya College as well as the student of MBA and I-MBA of M.H. Gardi School of Management participated in the seminar. Mr. Maulik Chauhan amalgamated them. Bus facility was provided to all the participants in the seminar by Gardi College to the venue of seminar.

The seminar started with the glimpse of Gardividya pith by Mr. Samir Dholakiya Head of the Department of Management

The things which were included in the oration were....

1. Story of father and son don't run behind the shadows it will let you now here: run towards sun and shadow will follow you.
2. Meaning of corporate is company.
3. Corporate culture: It is about "being genuine, demonstrating leadership qualities like commitment before expected time line".
4. Sir's college days and vision beyond that goals and blueprint
5. Sir's journey into the corporate world, energy and hard work
6. Stint with racket & Benckiser (Dettol)
7. Stint with Pepsi Co- planning and execution
8. Stint with city bank-system and process
9. Stint with Philips - service is the only king
10. Developing personal effectiveness in personal life, self-development.

The summary of this lecture includes:-

- "Dream big"
- Always be positive
- Face challenges
- Have your own philosophy believe in it
- Spend at least 1 hour with self.

At the end of the seminar, students with Faculty member handed over a token of gratitude to Mr. Sunil Solanki.

Industrial Visit at Tirth Agro Technology Pvt. Ltd (Shaktiman Group)

Industrial visit is very important for every management Student as it provides clear picture of industry for upcoming manager. The rationale of the professional program MBA at Gujarat University, Ahmadabad is not only the theoretical leaning inside the classroom or just completion of syllabus but its sole objective is to have practice edge with all basic management aspects. An industry visit was planned to **TIRTH AGRO TECHNOLOGY PVT. LTD.**, Bhunava (village) Rajkot on 22nd September, 2017.

Engineering and MBA students went for industry visit to the factory on 21 September 2017, mentored by Asst. Prof. Abhik Acharya. An engineer-in-charge of production received the students in the entrance and gave a brief introduction of the factory. Then he took them around, from one section to the next and explains the process involved in the coatings and coloring of the parts. In welding process was totally handled by the robot.

After completing the factory visit they have arranged session for question answer with that HR Executive, they shared their opinion about students and interacted with them.

The company has effectively fulfilled the needs of customers with the supports of vast dealership network having more 625 dealers, 46 distributors and brand name with "**SHAKTIMAN**" across the country.

The curiosity of the students was finally satisfied when a

question answer session was conducted by Mr. Chirag. The students were provided with deep insights about the working of the plant and each and every question was patiently answered.

Students visited and saw that the making of various processes like Power Harrow, Rounder Baler, Aakshak 400, Protaktor 600 etc. It was a wonderful and interactive visit, where the students understand the production process, products and departmental work also.

The students experienced one of the best examples of co-operative achievement in the developing country in the **AGRICULTURE** field, and students in getting live exposure of manufacturing which can help them in their internship and career enhancements.

Kum. M. H. Gardi School of Management The NextGen B - School

Today's education set-up is facing complex challenges of changing economic scenario and business dynamics. It is therefore to provide quality inputs to the students and groom them into people sensitive rather than product sensitive managers with ability to perform like entrepreneurs. Our academic standards are high. We encourage independent thought and prize applicants who can demonstrate academic achievement, as well as those who have unrealized potential. Our standards mean that our students have high expectations of the learning experience that we offer. For that reason, we are investing heavily in developing new and existing learning facilities across campus, introducing the latest learning technologies, attracting leading and rising academic stars from across the world, and enhancing personal tutoring. - Mr. D. V. Mehta, Chairman, Shree T. V. Mehta Charitable Foundation.

Mr. D. V. Mehta

Mr. Kiran Shah

We are always equipped to educate and empower students. We are always standing by to put our efforts to enhance the career of our students. We wish our generation to be good to their selves, do well to their parents and be contributive to the society. - Mr. Kiran Shah, Vice-Chairman, Shree T. V. Mehta Charitable Foundation.

"PARTICIPATING COLLEGES IN GST MARATHON"

Management Students In Various Events of Saurashtra University

Date: 23rd September, 2017

Venue: Saurashtra University Campus

The students of MBA and I-MBA had participated in the event name "SAMIKSHA 2017" organized by Saurashtra University, Rajkot on 23rd September, 2017 at Saurashtra University Campus.

Fifteen students participated from Kum. M. H. Gardi School of Management. There were various events such as Team Building, Business plan, Add-mad, cricket box, debate etc.

Four students of MBA from Kum. M. H. Gardi School of Management had participated in Team building.

Three students of MBA SEM-3 participated in documentary film making.

Two students from IMBA 3 had participated in Photography.

Six students of IMBA 3,5 and MBA had participated in Box cricket.

Team building students won the competition and were awarded as 2nd runners up.

A Day as an MBA @ KMHGSM Gardi Vidyapith

Kum. M. H. Gardi School of Management, a prominent institute of Saurashtra region is well known for its value education to the students. Various activities are organized at Management School on Gardi Vidyapith Campus to educate and uplift the students on the campus and off the campus.

Gardi Vidyapith is having a unique teaching methodology and culture. To make sentient about it KMHGSM is always ahead in organizing the knowledge sharing activities for the students of other colleges too. These activities include the planning of two years for MBA students, team learning and many more about Gardividypath.

Considering the same a program called "Life as an MBA @KMHGSM - Gardi Vidyapith" organized for the students of under graduation of M. T. Dhamsaniya College, where about 30 students participated for the whole day program. The total proceeding was divided on to three parts. In first part students were introduced to the campus and faculty members. Asst. Prof. Samir Dholakiya took a session called "Shape Your Destiny". To give them real insight of management and corporate world, quiz contest was organized by Asst. Prof. Maulik Chauhan. In Last phase students were invited to play management game Called "Balancing an art". In valedictory Dr. Vishal Soni, Director,

KMHGSM took session who nicely explained how one can move up in the life and achieve what they want by taking examples of various movies.

At the end of program students were awarded with certificates. It was a day, full of enthusiasm and energy. Students came to know that life of an MBA at this campus is really very exciting and energetic.

Shri D.V. Mehta, Chairman- Gardi Vidyapith; Shri Kiran Bhai Shah, Vice Chairman - Gardi Vidyapith; Shri Jay Mehta, Managing Director - Gardi Vidyapith and Dr. Vishal Soni, Director - Kum. M. sH. Gardi School of Management congratulates the team for the success of program.

Educate! Smart is Great

Teacher's Day Celebration At KMHGSM

Teacher's day is celebrated every year on 5th September. Students express their gratitude and appreciation for their teachers on this day.

This day is dedicated to Dr. Sarvapali Radhakrishna - second President of India, the great academic philosopher and one of the most well-known diplomats, scholar and above all a teacher, as a tribute to this great teacher, his birthday has been observed as teacher's day.

A Celebration conducted in KUM. M. H. GARDI SCHOOL OF MGT. The whole function was planned by the management students in such beautiful way in very

"The best teacher is the one who suggests rather than dogmatize and inspires his listen with the wish to teach them"

short period of time. The function was of two hours with different concepts.

All the students have participated in teacher's day with full zeal and enthusiasm. Students always look forward to teacher's day with a lot of fun for the sheer spirit of the occasion. The program included various games, speeches, and educational activities. The students did all the preparation and ensured that their teachers enjoy every minute.

The event was coincided by the review of the teacher and finally it was followed by speech of Head of the Department Prof. Samir Dholakiya.

Visit To Mahindra Gears

Date: 25th September, 2017

Time: 10.00 am

No of students participated - 33

Mahindra Gears & Transmissions Pvt. Ltd., is a part of the USD 16.7 Bn Mahindra group. It is one of the leading manufacturers of proven quality gears and transmission components with manufacturing facilities in India and Italy. They are engaged in the manufacture of reliable, high quality gears and transmission components for global Original Equipment Manufacturers (OEMs) and other Tier-1 customers.

Their product line includes Spur and Helical gears, sprockets, transmission spline shafts, couplings, and power take-off clutches. In 2008, we also added Profile Grinding to our portfolio. We also plan to invest into other technology options to cater to the changing needs of our customers.

They began their operations with Mahindra & Mahindra acquiring SAR Auto products Ltd., Rajkot in 2006. Post the acquisition, the company has grown multi-fold in a short span of 5 years. Later in 2008, through a consortium of Mahindra & Mahindra and ICICI Venture Funds Management, they acquired MetalcastelloS.p.A., a leading Italian gear manufacturing company.

They produce more than 6,00,000 quality assured gears & transmission components a month, from our facilities in India and Italy, conforming to German specifications DIN 6 to DIN 9 class of accuracy. We conform to high standards of quality and are ISO 9001 and TS 16949 certified. They have achieved an annual turnover of USD 25 million in a very short span of time by way of

- Technical competency with years of experience in gears
- Continual improvements in processes and systems

- Technical up gradation from time to time
- Positive approach of management as well as all our employees
- Multi disciplinary approach in the planning and problem solving
- Value addition

GLOBAL PRESENCE

The parent company Mahindra & Mahindra, in a consortium with ICICI Venture Funds Managements Ltd., acquired Metalcastellos.p.a., an Italian boutique Gear manufacturing company in 2008.

Metalcastellos.p.a., was founded in 1952 and is among the top gear manufacturers in Europe, focused primarily in the Off-Highway segment.

Metalcastello is based near Bologna, Italy and operates from two facilities. The facility in Castel di Casio primarily focuses on gears & shafts and the other unit in Gaggia Montana manufactures Crown Wheel & Pinion and Planetary Gears. These two units together manufacture more than 2 million gears per annum across 1800 active part lines.

Metalcastello primarily focuses on Agriculture, Construction, Defense and Earthmoving segments while also catering to the Automotive, Industrial, Aerospace, and Aggregate Tier-1 suppliers. Some of its top customers include General Dynamics, Arvin Meritor, Daimler, Bonfiglioli, Caterpillar, John Deere, ZF, BMW, etc.

The students interacted with Mr. Hameed, HR manager of the company. He gave presentation on Mahindra Gears Company. The student visited the manufacturing department on factory premises.

Whole event was coordinated by Asst. Prof. Kanchan Parmar and Asst. Prof. Nikita Parmar under the guidance of director Dr. Vishal Soni and Head of Department, Mr. Samir Dholakiya.

Our Recruiters

Aayushi Siddhpara - Batch 2015-17

KMHGSOM is an institute which has earned its name in management field. The institute helped me to get personalized attention. The institutes have good teachers. They make a good base for students. The institute has shaped and molded my life towards achievement of my goal.

Dipal Bhindi - Batch 2016-18

This college is very famous and is gaining the reputation in the public. The college creates the good disciplined students and has good infrastructure, air conditioned library, sports grounds, auditorium and teaching has also been an excellent.

STUDENT TESTIMONIALS

Tausif Doshani

KMHGSM is a very good institute having knowledgeable pool of faculties. The students are given opportunity to develop and participate to prove their excellence in true sense. The vision of the institute will definitely take the institute to greater heights of achievement.

Vasav Buddhdev

KMHGSM" is a temple of learning for me. It is the place which helped me to achieve my goal and made me capable to fulfil dreams of my parents..... Still to learn a lot from KMHGSM. I am lucky to be a part of MHGSM.

Workshop of Modeling Software

Objective:

Main objective of the workshop was to aware students about modeling Software and to design anything and everything in 3D using modeling software.

Introduction:

This course was structured in a pedagogical sequence, covering the Part, Assembly and Drafting. Every session is provided with detailed explanation of the commands and tools. This approach allows the students to understand and use the tool in an efficient manner. This workshop was

Students are designing 2D components

Students are doing assembly of the components

carried out from 3rd July, 2017 to 1st August, 2017.

Outcome:

Students would be able to prepare part modeling, assembly and detail drawing using modeling software.

Feedbacks:

Mostly industries are using modeling software for designing a automobile parts. By this workshop we learned about basic tools and assembly of different parts.

- Joshi Bhargav (150040119514) 5th Sem Mechanical

Industrial Visit @ Gopal Namkeen & Snacks

Prof. Nirav B Mehta and Habil Chandiwala (7th sem student) from the Department of Electrical Engineering had visited "Gopal Namkeen & Snacks" regarding IDP project of Industrial warehouse automation. Gopal Namkeen & Snacks are manufacturing, Packaging and dispatching different varieties of snacks. This plant is fully automatic, functioned by Allen Bradley PLC and SCADA system. The aim of industrial visit is to discuss the various aspects of the project - 'How to save time in warehouse department by doing proper equal distribution of products?'

During Industrial visit Mr. Rameshbhai and Mr. Kanjibhai explained about the functioning of other departments of Industry. During the visit new problems were found regarding power consumption due to continues operation of conveyor belt, problem during Scanning of barcode sticker and also other mechanical faults. Habil Chandiwala would try to solve the problem of power consumption under the guidance of Prof. Nirav B Mehta and Mr. Amit Virani.

Enhancement of Knowledge regarding Automation @ GOPAL Namkeen & Snacks

1 Week Industry Training on Android and PHP

Objective: To Explore Recent Trends in Android by designing and developing useful applications with compelling user interfaces and embed with Hypertext Preprocessor(PHP).

Participant: Prof. Pinal Rupani , Prof. Dharmik Vasiyani, Prof. Heer Dholakia

Subject: Android Technology and Hypertext Preprocessor (PHP)

Duration: 1 Week

Facilitator: Mr. Chintan Adatiya and Mr. Nilesh - (Logistic Infotech)

SESSION BRIEFING:

To explore options of PHP and Android available in market. Through this 1 week session, Facilitator guided the faculties of B. H. Gardi College of Engineering and Technology about the usage of basic PHP by some Example implementation followed by java script and PHP. For Android, Industrial Trainer guided about Android Technology by some Example Implementation. The topic which are covered in session are as follows

Prof. Heer Dholakia

Prof. Dharmik Vasiyani

Prof. Pinal Rupani

OUTCOMES:

Android

- Android Overview and History
 - How it all got started
 - Why Android is different (and important) Understanding
- SDK Overview
 - Platforms
 - Tools
 - Versions
 - Hello World App
 - Creating your first project
 - The manifest file
 - Layout resource
 - Running your app on Emulator
- Main Building Blocks
 - Activities
- JSON PARSING
 - Data Fetching from Online API

PHP

- Clear with Basic Fundamentals of JavaScript.
- After this session able to compare JavaScript with JQuery.
- Faculty is able to create Webpage with few Dynamic Functionality.

For Android			
Session Details	Topic	Parameter's To Be Learn	Days Require
Day - 1 & 2	ANDROID ENVIRONMENT SETUP	Android Environment Setup in Linux and Windows System	2
Day - 3 & 4	ANDROID LAYOUT AND DATABASE(SQLITE) CONNECTION	1. Different Layout for Designing Applications. 2. List View and Recycler View	2
Day - 5 & 6	JSON PARSING	1. Online Data Fetching from API MovieDB Site	2

For PHP			
Session Details	Topic	Parameter's To Be Learn	Days Require
Session - 1	Basic JavaScript	Basic Implementation of JavaScript	2
		Recent Technology with JavaScript	
Session - 2	Connectivity and Operations with Database	Implementation of Visual Studio Code, Connectivity with MySQLi Database	2
		Optimize Query Formation	
Session - 3	Pagination & Searching in PHP	Dynamic Pagination and Searching sub string from database.	2

Faculty Projects' Presentation

B.H. Gardi College of Engineering & Technology, Rajkot organized had Faculty Projects' Presentation event. This event started on 6-11-2017 and ended on 15-11-2017. More than 50 faculties of various engineering branches had participated actively. As per the guidelines given by Principal Prof. V H Oza, every faculty had been assigned project work of their area of interest on the commencement of current semester. They presented their projects in a group of one or two. Outcomes of this event is categorized as follows:

Faculty is presenting his ideas to the Audience

Faculty debates with review Panel

1. Basic knowledge of all branches has been shared among all faculties.
2. Motivated to go for higher studies like M.Tech and PhD in reputed universities like NITs and IITs, writing quality Research Papers in reputed Journals and Conferences and to file patents for their unique ideas.
3. Consultancy for various projects with respect to revenue generation on the basis of their creativity and technical skills were discussed.

4. Student projects enhancement can be achieved on the basis of uniqueness of faculty projects.

As per the guidance provided by Principal, Prof. V H Oza, Project Review Committee was formed having members from all departments who reviewed these projects and gave their valuable feedbacks, which can help presenters to enhance their ideas for respective projects.

Faculties are discussing with presenter
