Much More To Do With YOU In Focus

Nowadays, competition is getting tougher day by day and there is no way to get into the best educational institutions. It requires a lot of hard work, dedication and, most importantly, continuous effort. To prepare yourself for the challenging path, you need to take the initial steps at a very young age. Students, regardless of their career interests, should begin to participate in various national and international level competitive exams.

The awareness seminar was organized by BHGCET to inform about this competitive examination. Experts from the Sardar Patel Cultural Foundation were invited to spread this awareness. The keynote speakers were Deputy Collector Mr. Brijesh Kalariya, Deputy Collector Mr. Dharamik Dobariya and Taluka Development Officer, Dr. Bhavin Kataria.

They well-versed the students about the various stages of the exam as well as what changes could be made to their personality with such an exam. The veracity of engineering has recently been added to the Constitution of India as a subject of engineering.

The entire seminar was organized by Mrs. Kiran Shah from the Department of Humanities and Science. Dr. Siddharth Jadeja said that there is no shortage of participation in such competitive exams

and it is only a myth that he disrupts regular practice. The initial step will be to clarify your journey to success. Competitive exams will enhance the skills of understanding the application of concepts. Such examinations develop IQ, logical and analytical thinking and create a strong foundation for a career.

Realize, Focus, Achieve - 2020 Batch

Mechanical Engineering

Driven By Passion

GTU has recently organized SPIRIT-2019 event. This event encourages various sportsmen to showcase the hidden talent during their academics. BHGCET feels proud to congratulate Mr. Osho Shah, the first year student from the department of Mechanical

Engineering who won a silver and bronze medal in 50 mts. Breast stroke and 100 mts. Free style in the Inter-zonal swimming competition of GTU Spirit 2019.

Gurupurnima Celebration

Purnima is one such day when the guru or the teacher is worshipped for the work they have done for their disciples. Every year in the month of Ashadh this festival is celebrated. It is actually a combination of two Sanskrit words "Gu" and "ru". "Gu" in sanskrit means ignorance or darkness and "ru" means the remover of darkness. Basically the person who is responsible for removing the darkness is known as guru.

The students of Engineering and MCA celebrated the Gurupurnimana festival in college in a unique way. The whole celebration was organized by the students themselves, Students arranged many surprises, games and also cake cutting ceremony to make the celebration more memorable and blessed. As per the Gardi tradition the event was concluded with Garba and it was very unforgettable celebration.

One Day Workshop On Moodle Learning Management System

Under the aegis of IIT Bombay and as its Remote Center, B. H. Gardi College of Engineering and Technology (BHG CET), successfully conducted one day workshop on Moodle Learning Management System on 15 March 2019. 44 Faculties from 6 different institutions participated in this workshop. BHGCET got 2nd highest participation of faculties in workshop compared to all other remote centers in Gujarat.

Various Teachers of schools and faculties of

colleges benefited from this workshop. They learned how to manage Moodle as an LMS. Learning happened using Spoken Tutorial methodology. This workshop was coordinated by Prof. Jatin Ambasana and Prof. Dharmik Vasiyani of Computer Engineering & Information Technology Department of BHGCET. They had also attended the Coordinators' workshop at IIT Bombay on 1st March 2019 for the training of conducting this workshop.

Following topics were covered for System Administrators in this workshop:

- Getting ready for Moodle Installation & Installing Moodle on Local Server
- Admin Dashboard, Blocks in Admin Dashboard
- Categories in Moodle
- Courses in Moodle
- Users in Moodle
- User Roles in Moodle

Following topics were covered for Teachers in this workshop:

- Teachers Dashboard in Moodle
- Course Administration in Moodle
- Formatting Course material in Moodle
- Uploading and Editing resources in Moodle
- Forums and Assignments in Moodle
- Question bank in Moodle
- Quiz in Moodle
- Enroll Students and Communicate in Moodle

Glimpses of the Workshop on Moodle at BHGCET:

Coordinator Prof. Jatin Ambasana & Prof. Dharmik Vasiyani Conducting the Workshop

Participants Attending the Workshop and Practicing Hands on Moodle

Active Faculty Participation at a Glance

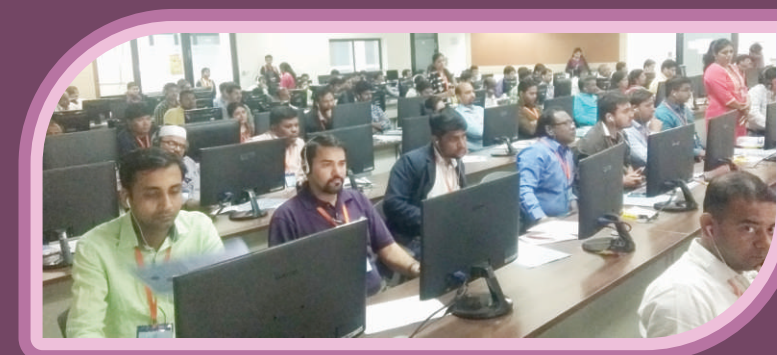

Participants Attending A-View Session Delivered by Prof. Kanan Moudgalya of IIT Bombay

Moodle is a Learning Management System (LMS in short) which helpsteachers and educators create online courses for more adaptive and customized learning.

Glimpses of Coordinator's Workshop on Moodle at IIT Bombay:

Main Teaching Faculties of this workshop from IIT Bombay were.

- Prof. Kannan Moudgalya, Principal Investigator, TLC (ICT) and Spoken Tutorial Projects
- Ms. Nancy Varkey, Spoken Tutorial Project
- Ms. NirmalaVenkat, Spoken Tutorial Project

Prof. Jatin Ambasana & Prof. Dharmik Vasiyani attended the Cooridnators' workshop at IIT Bombay

BHG CET faculties with respected Prof. Kannan Moudgalya

Shree D. V. Mehta Chairman of Gardi Vidyapith, Shree Kiranbhai Shah Vice Chairmain of Gardi Vidyapith, Dr. S. B. Jadeja Principal, Prof. Hemal Rajyaguru HOD of CE Department, Dr. Vaibhav Gandhi HOD of IT/MCA Department and Remote center coordinator Prof. Madhuri Vaghasia congratulated the team for organizing this workshop and also the participants who gained important knowledge on Moodle LMS form this workshop.

'Samvad' with Aspiring Engineers

The Government of Gujarat has developed a policy to assist startups. Under this scheme, a group of individuals with latest ideas, concepts or universities, education institutes, incubation centers, PSUs, R&D institutions, private and other organizations will be eligible as an organization to support and guide the innovations. Startups in the technology fields are an important indicator of technological impact for several reasons.

It is worth mentioning that BHGCET is always at the forefront of accelerating government provided opportunities. Mr. Purveshbhai Kotcha, President of Rotary Club of Greater, Secretary Mr. Krishnal Mehta, Joint Secretary Mr. Bhavesh Mehta took up the initiative to raise the awareness of the students of Engineering College under SSIP. The key note speaker of this seminar was Rotarian Shri Kamlannan Sojitra, who is the owner of Falcon Group of Industries.

Mr. Kamalbai first informed the students about the social activities going on in the Rotary Club and then gave guidance on the current market. Before starting any business, he also stressed on getting experience with joining a good company to become aware of the business. Also gave a novel concept of 8c.

In the last part, the seminar was given a full pause by answering the students' questions. President Purneshbhai Kotecha, Dr. Prof. Siddhartha Jadeja said in a motivational speech that entrepreneurship is responsible for the development of countries like China and Japan. Today, when India has become the third largest economy in the world, today's youths have to become employers and for that our Prime Minister Shri Narendra Modi has launched programs like Make in India and Startup, taking advantage of which today's youth should start innovating with their own wisdom. In which they can also employ others.

More than 100 students were present and vowed to implement all the programs of life into their lives and decided to kick off for the development of the society and the country. As the coordinator of the entire program, Mrs. Kiran Shah from the Department of Humanities and science took up the courage.

'Jal' Day Celebration

B. H. Gardi college of Engineering and Technology accelerated the efforts to universal issues of drinking water. It has become obligatory to save each and every drop of water. For this, the students of third semester from the entire department spread awareness and came out with rally to save each and every drop of water. They all checked the taps of entire Gardi Vidyapith if there was any leakage. The day was celebrated on 22nd July, 2019 under the guidance of Mrs. Kiran Shah from the department of Humanities and Science.

Students also arranged the activities for the fresher students to make posters on sanitizing and managing water resources. The awareness day came out to be fruitful and all of the participants took pledge to save each and every drop of water.

INTERNSHIP Program

"INTERNSHIP IS THE PHASE THAT NOURISHES THE UNTOUCHED APPLICATION OF ENGINEERING"

The faculties from the department of civil engineering had worked hard in counseling the student for the identification of advanced field of internship. As

per GTU teaching strategy, in the final year the student had almost gained the knowledge of the entire subject they must be maneuvered to work on their theoretical knowledge.

Following Is The List Of 2016-2020 Best Interns Of Our Civil Department:

Name of Student	Name of Company/Firm/Site
Kalsariya Pratikkumar Prakashbhai	Ashray Consultant
Pandya Riddhiben Nileshbhai	Hindustan Project
Chauhan Ashish Shantibhai	Sopan Luxuria
Chauhan Harsh Yashvantbhai	Hindustan Project
Rana Shubham Hareshbhai	Hindustan Project
Mandaliya Ishita Rajeshkumar	Hindustan Project
Thakar Yogita Yashvantbhai	Vinay Infratech Pvt. Limited
Sankhat Ashish Rameshbhai	trainingvala.com
Chauhan Bhargav Sanjaybhai	Jamnagar Municipal Corporation
Vishavadiya Parthik Manharbhai	Silver Classic
Lakum Chetankumar Baladevbhai	Selarka
Jadav Raturajsingh Krushnakumarsingh	Gurukrupa Construction
Siddiki Mahamad Taslim Hanifbhai	Kishan Infrastructure Pvt.Ltd.
Vichhi Nishit Bhaveshbhai	L & T (PTI)
Punatar Jay Anilbhai	L & T (PTI)
Gohel Sagar Vinodbhai	L & T Power Training Institute
Kachhad Jaldeep Jaysukhbhai	Pmc Studio 13' Managemant & Consultantancy
Yadav Jayant Pravinbhai	Dhyey Associates
Kavathiya Yash Harshadbhai	Aksharparisar
