The Body Is Your Temple. Keep It Pure And Clean For The Soul To Reside In.

Yoga Day is celebrated annually on 21 June since its inception in 2015. An international day for yoga was declared unanimously by the United Nations General Assembly (UNGA) on 11 December 2014. Yoga is a physical, mental, and/or spiritual practice attributed mostly to India. The Indian Prime Minister Narendra Modi in his UN address suggested the date of 21 June, as it is the longest day of the year in the Northern Hemisphere and shares special significance in many parts of the world.

Students and faculties from all the departments of B. H. Gardi College of Engineering and Technology celebrated the International Yoga Day on June 21, 2019 conducted by Gardividypith under the visionary of Dr. Siddharth Jadeja. Yoga Instructor - Dr. Dipali Vaishnav of Department of Health and Hygiene from V. M. Mehta Institute of Ayurveda, directed the corpus of students and faculties for various Asana. She also explained about the advantages of Yoga like all-round fitness, stress relief, improved immunity, inner peace, increased energy and many more along with the history of YOGA.

The program concluded with the resolution of making Yoga part and parcel of the life. The session proved lasting transformation in the participants.

Student's Achievement In National Level Event "GTU Techfest 2019"

Yashvant Navadiya and Yashkumar Depani from 6th semester representing the Department of Computer Engineering, has won the technical event "Master's App" held under the zonal level event "GTU TECHFEST 2019" at V.V.P. Engineering College, Rajkot dated 8th and 9th April 2019. There were 30 teams participated in this activity, from the colleges all over Rajkot Zone. This was a team participation activity in which maximum 2 students and minimum 1 student was allowed.

**Yashvant Navadiya and Yashkumar Depani
(6th CE) - GTU TECHFEST Winner**

In the first round, both the students gave presentation on "Fleet monitoring and Management". In second round students gave presentation on Marketing Strategy. 5 minutes were given to represent the presentation and again the student selected for the 3rd round. In this round students have to create UI for their project within 2 hours. Along with the certificate of appreciation, they had won Rs 2000 cash prize in this event.

Prof. Mitul Sheth (CE/IT Department) was the mentor of the project and with his support and guidance, this achievement was possible. Computer Department would like to congratulate the team and mentor for his achievement and all the very best for the upcoming challenges and opportunities.

Your Focus Determines Your Reality

Riya Appreciated with Certificate

Rinkal Appreciated with Certificate

Riya Patadiya and Rinkal Patadiya 6th semester students from the Department of Computer Engineering had successfully completed Internship at Pro. Meraki Development Pvt. Ltd. They both worked as an intern from 23rd July 2018 to 20th October 2018 at Pro. Meraki Development Pvt. Ltd. During this internship, they had worked on web development in python, basic angular, REST API and few databases. Both of them got a wonderful experience, everyday faced new challenges and found it very useful to get a first step towards corporate world.

Winner of Class 4B @GTU Zonal Techfest 2k19

Neel Mevada and Rahil Ansari, 4th semester students from the Department of CE/IT got Third Rank in GTU Zonal TechFest 2019 held at VVP College of Engineering and Technology, Rajkot for the Event 'Design Your Dreams'.

There were 3 rounds where team of 2 persons had to compete. First round was Qualifying Round. After qualifying First Round, 2nd Round was of T-shirt Designing. There were Different Topics given For Designing.

3rd Round consists of Poster designing, where they used CorelDraw, Illustrator and Photoshop for Designing. Along with competition students had lot of fun.

Glimpses of Neel and Rahil Achievement

Larsen and Tubro Training for Advanced Civil Engineering Aspect by Civil Stars

"TRAINING / INTERNSHIP IS AN ESSENCE TO BRING OUT WORTH OF THEORETICAL KNOWLEDGE"

Larsen and Tubro is renowned Multi National Company providing essential training for advanced knowledge in field of Electrical Engineering, Civil Engineering and Electronics and Communication Engineering and had considered the students of GTU for training in summer's internship session.

The department of Civil Engineering had been striving in cultivating industrial interaction of student. Prof. Natasha Sagar, class counselor had gone through the L & T Brochures under GTU website considered it fruitful for the batch 2016-2020. Hence, she motivated the student to

Memories with L & T Trainers and Teachers by Civil Dept. Gardians

take part in 11 days training program offered by Larsen and Tubro renowned multinational construction company under the sheltered shadow of head, Dr. Vimal Patel.

Through continues effort and positive counseling three student of 2016-2020 batch Nishit Vichhi, Sagar Gohel, Jay Punatar actively participated in advanced training program from 10th to 21st June, 2019.

Sagar Gohel Rocking at L & T Campus to Corporate Session

During the tenure they had undergone two important industrial visits of Railway Bridge on Narmada River at Ankleshwar and Effluent Treatment plant at Pandesara Surat. They learnt the application of QGIS software, management of project, structure joints and load analysis, Computation of construction drawings as well as professional communication skills.

The department is happy with their progress and will encourage these stars to deliver the same to their juniors.
