BRING A LIFE BACK TO POWER

Every blood donor is a lifesaver. Blood is the most precious gift that can be given to anyone. A **BLOOD DONATION CAMP** was organized by NSS team of BHGCET on 1st October, 2019 in the Ayurveda hospital building in Gardi vidyapith Campus.

Doctors and nurses of **FIELD MARSHAL** blood bank were invited to collect the blood of eligible donars. There were arrangements of coffee, glucose, biscuits and medications for all the donors.

Fit and fine students, faculties, non teaching staff like drivers, peons, and canteen staff of BHGCET very enthusiastically participated in the donation of blood and encouraged others to donate too. After the event was over NSS volunteers also donated their blood for the noble cause.

More than 100 gardians donated their blood and played a huge role in saving someone's life. The whole event was taken care by 17 active volunteers of NSS and mentored by Program Officer Mrs. Kiran Shah.

Swachhata Hi Seva

Plastic is everywhere. Although everybody knew how much it can be harmful to nature, people is still using the plastic for day to day purpose. Government of India is taking the initiative for reducing the usage of plastic.

Under Unnat Bharat Abhiyan students of BHGCET have done an appreciable work by taking a step to aware people of the village in a very creative way.

They decided to replace plastic bags from nearby villages with handmade cloth bags. The students of BHGCET made cloth bags on **28th September 2019** from collected *waste cloths* materials for 2 days and distributed them in nearby villages. They collected every not being

used cloth in the house and from neighbors like torn T-shirts, shirts, jeans, bed sheets, curtains, sarees, dresses, jute material (kothda), fridge covers, TV covers, Sofa covers. **Institute Co-ordinator Prof. Parag Paija and Faculty Co-ordinator Prof. Dhaval Suthar and approximately more than 55 students** have distributed the handmade cloth bags on **30th September 2019** and collected the plastic bags from the adopted villages.

Students and faculties interacted with the Sarpanch and people of villages and received a very good response from them too. They also interacted in pre-primary and primary school creating the awareness of a plastic-free environment.

Canvas Exhibition-2019

Reviewing Projects by Industry Delegate and Review Panel

Students Present Their Project

Electrical Department

“ Inhale Possibility,
Exhale Creativity ”

Objective : To enhance the technical skill of the students by interacting with faculties and Alumni industry experts

B. H. Gardi College of Engineering and Technology organized "Final Year Canvas Exhibition" on 12th October 2019 which was a combination of Technology and knowledge sharing. Total 217 student teams presented their

project at Canvas Exhibition. We were bestowed by the esteemed presence of review panels and Alumni industry experts. It was a marvellous experience for students who presented the project and also for the attendees of the activity who grabbed maximum out of it. Junior students have also visited final year student projects and they can enhance their technical skills which can help them to select and implement their own projects.

Expert Talk on Social Networking

Expert talk on Social Networking was delivered by Dr. Vaibhav Gandhi - Head of the Department MCA and IT. It was organized for the 3rd semester students on 18th September, 2019 with the following objectives:

- To understand that social networking gives you a chance to connect with people around the world.
- Using this technology as easy and instant communication tools.
- Creating brand exposure through Social networking
- Being on a social network is a lot of fun.
- Use of Social Network for Job Seekers

SESSION BRIEFING:

The session was started by introducing the exact platform of social media is. In today's era social networking includes various factors affecting various field of a person's life. Social networking is computer-based technology that facilitates the sharing of ideas, thoughts, and information through the building of virtual networks and communities. By design, social media is internet-based and gives users

quick electronic communication of content. Content includes personal information, documents, videos, and photos. Users engage with social media via computer, tablet or smartphone via web-based software, web

Students Actively Interact With Expert

application or mobile application often utilizing it for messaging.

Social media originated as a way to interact with friends and family but was later adopted by businesses which wanted to take advantage of a popular new communication method to reach out to customers. The power of social media is the ability to connect and share information with anyone on Earth, or with many people simultaneously.

Globally, there are more than 3 billion social media users. Social media is an ever-changing and ever-evolving web-based platform. Social media may take the form of a variety of tech-enabled activities. These activities include photo sharing, blogging, social gaming, social networks, video sharing, business networks, virtual worlds, reviews and much more.

The topics which are covered in session are as follows :

- Use of Social networking
- Your profile on social Network
- Profile building
- Usage of social network in recruiting
- Build professionally network on social network

Outcomes of talk :

- Building up professional network
- Check out career paths
- Get referrals
- Share updates with others
- Prepare for interviews
- Extend your thoughts
- Search for jobs

Students Attending Expert Talk by Dr. Vaibhav Gandhi

It's Fun, It's Fitness, It's Zumba

The Women Empowerment Council of B.H. Gardi College of Engineering and Technology has organized a special Zumba Session for all the potent girls and female faculties of Engineering and MCA department on 27 September 2019. The session was taken by Zumba trainer Zin Kareena Motwani. She is certified FSSA and Gym Trainer and Zumba instructor. She is the only F squat trainer from Rajkot.

The main motto of this session was to be fit and energetic by practicing F Squat, Mixed Marshall art, Latin form Zumba and Zumba in Garba forms.

The Session started with the introduction of the professional trainer. All the girls enjoyed in Zumba dance. Zumba is a great way to exercise and fellowship with other people in a fun atmosphere. That was an energetic session in this rainy atmosphere to keep your body fit and fine.

At last, there was an interactive session with the trainer regarding exercise and fitness of the body. She had inspired us a lot. Woman empowerment Team is thankful to Ms. Kareen Motwani, Prof Priyanka Rawal, Miss Hetal Makwana, Prof. Natasha Sagar, other faculties, students and the volunteers to make this session successful with their presence.
