Visit to BOOK FAIR 2020

B. H. Gardi College of Engineering and Technology had productive visit at Book Fair- 2020 on 28th January, 2020 at Dharamsinhji Desai college campus. BHGCET organized a visit for the students of 2nd, 4th and 6th Semester of CSE, IT, Mechanical, Electrical, Civil, EC and MCA. 150+ students witnessed the Book Fair which was the talk of the town.

Besides, book fairs are now educational and cultural events. There are seminars, panel discussions, presentations, author meet-ups, etc to keep the exhibitors and visitors engaged and to spread knowledge. Then, there are also various cultural activities at the book fairs, which is another attraction for the visitors. Students attended session

FDP on Student Startup & Innovation Policy

Objective: To Explore Recent Domain oriented Technology.

Date: 6/1/2020 to 10/1/2020

Participant: Prof. Hemal Rajyaguru (Head of Computer Engineering Department)

FDP BRIEFING:

GTU has been at forefront in the sphere of student innovation start-up ecosystem development. To carry forward the efforts of the same and by taking early insights from interventions at GTU, Government of Gujarat has developed a Student Start-up and Innovation Policy, SSIP at State level with a commitment of 100 Crore INR grant for student innovators and start-ups.

Prof. Hemal Rajyaguru (Head of Computer Engineering) participated in this Faculty Development Programme as it was specially designed for members of the Faculty Group, from various colleges, involved in implementing the SSIP scheme. The programme is aimed at orienting the faculty group on the various aspects on entrepreneurship so that they could guide and mentor their students to adopt entrepreneurship, and draw benefits of the SSIP scheme.

Inaugural function started by addressing faculty members, "You are going to be the catalyst, change drivers and mentors for the students. This training programme is not just a 5-day programme but a continuous process and EDII (Entrepreneurship Development Institute of

Prof. Hemal Rajyaguru successfully completed and certified by attending SSIP FDP

India) would be available for hand-holding, guidance and support so as to ensure tangible benefits." This programme will encourage the faculty members to think of startup ideas and be innovative so that once into the process, they will be able to understand the ideas of students better alongside being able to guide them effectively.

Mr. Hiranmay Mahanta, Advisor, GKS, addressed about the current trends in start-up ecosystem and Dr. Lalit Sharma, Faculty member of EDII talked on Entrepreneurship Concept and its Relevance in Emerging Economics.

In this FDP, various sessions were conducted which showed complete SSIP process, complete student startup support framework, Incubation process, Action Plan, General Enterprising Tendency, Visit to Incubation Center, Frugal Marketing, Legal Aspects for Startups.

Pursuance of PhD by Subtle Faculties from SVNIT, Surat

B.H.Gardi College of engineering had organized a talk session with expert from SVNIT, Surat for guidance on PhD and stimulates research fruitful for faculties as well as society on 7th February, 2020

Faculties Interaction with Experts

Dr. C. D. Modhera and Dr. S. A. Vasanwala were experts from SVNIT, Surat. They discussed various case studies of PhD to encourage research mindset for national, social and personal development. They also made the faculties aware of AICTE norms and necessity of society up gradation.

Interactive Session by Dr. C.D. Modhera

Determination, pursuance and area of interest are tools of research as given by our expert to march on in research area.

Interactive Session by Dr. S.A.Vasanwala

Memento to Dr. S.A.Vasanwala by Prof. Manish Patel

The faculties from the departments of Mechanical, Civil, Eeectronics and Communication, Electrical and CSE/IT Engineering participated enthusiastically in a two way interaction, with fundamental goal. This session was arranged by Dr. Vimal Patel, Head Department of Civil Engineering. The faculties solved their doubts and came up with notion on ease of research work and how to enjoy the research based on their interest along with area of study.

Faculties Interaction with Experts

Alumni Sharing Experience

Department of Electrical Engineering from B. H. Gardi College of Engg. & Tech. had arranged an Alumni Interaction session on 20th December 2019 where alumni of 2014 batch Rajdeep Butani and Harmit Savani were invited. Rajdeep is Automation Engineer and Harmit is an entrepreneur.

The Topic of the session was experience sharing of college life and professional life. The session was all about how they decided their goals

during college life and how they got succeeded in achieving that goal. They shared their journey of goal setting and goal achieving. They also discussed various options for the electrical engineers in current scenario.

After their experience sharing session there was an interactive talk where they solved confusions of the students and gave answers for students' queries. The session was huge success as students were very satisfied with the content of speaker.
