

## Expert session on Government Exam Preparation

Mr  
Ankiv Chudasama delivering Expert session

Questionnaire time during Expert session

Students getting brief idea for Govt. Exam Preparation

**Objective:** To Uplift students methodology regarding Government Exam Preparation.

### Introduction:

After completion of Engineering there are many scopes developed in Government sector which provides employment under various posts. It is very much necessary to make students aware about these scopes. To enhance their methodology regarding government exam preparation this expert session was organized on 14 -7- 2018 at Mechanical Engineering department. This session was delivered by Mr. Ankiv Chudasama (Pursuing ME in CAD/CAM at B.H. Gardi College of Engineering and Technology). How to prepare in UPSC? How to Prepare in GPSC? What is the difference between the two? These above mentioned topics were covered in the session.

**Outcome:** It will clear the idea about various Government Exams and methods of preparation. It will be useful for those students who want to appear for various Government exams.

### Feedbacks:

-Kishan Amlani: "Overall good session"

-Sanghar Ilyas: - "Effective expert talk"
